GASTRONOMA[®]

COOKING WITH PASSION

Kitchen appliances
for the hobby gastronome

Gastronoma food enthusiasts with an eye for honest design, strong features and faultless quality may well be excited. Gastronoma comprises a range of innovative products of advanced features – in a price segment, which allows the focus to be on first-class product and a glass of decent wine to accompany the culinary creations.

Gastronoma fulfills the wishes of the demanding hobby gastronome for reliable and solid kitchen aids, which he or she can trust. The powerful machines of the series and its sterling utensils are made for daily and not just occasional use – and new additions to the Gastronoma family are being continuously developed and introduced.

Adexi backs up Gastronoma in retail outlets, supported by events, campaigns and targeted marketing on social platforms, amongst others.
